

# "Residencia La Cristalera"

Miraflores de la Sierra  
(Madrid)

23-24 June 2022

[www.electrobionet.com](http://www.electrobionet.com)

Dear College,

The **3<sup>rd</sup> WORKSHOP ELECTROBIONET 2020 "ELECTROCHEMICAL SENSORS AND BIOSENSORS"** will take place at the "Residencia La Cristalera" of Universidad Autónoma de Madrid (in Miraflores de la Sierra, Madrid, Spain) on 23-24 June 2022. The first ELECTROBIONET workshop took place in Universidad Complutense de Madrid (Madrid, Spain) on November 2016 and the second in Oviedo (Spain) on November 2017. ElectroBionet events are promoted by the Network of excellence "["Electrochemical Sensors and Biosensors \(ElectroBionet\)"](#)" which consists of researchers from different Spanish Research Institutions.

The recent advances made in the development of sensing electrochemical devices last years and in particular their potential applications in fields of Environment, Clinical diagnosis, Food control quality, among others, call for a multidisciplinary, cross-sectional approach, from the design of new devices to their final application. ELECTROBIONET 2020 intends to establish synergies, strengthen initiated collaborations and create new ones, and contribute to a fruit-full academia-industry liaison, to work together on the development of new electrochemical techniques and devices.

The exciting and lively city of Madrid constitutes a vibrant venue to frame this event due to the excellent communications and leisure offer.

Abstracts are invited for oral and poster presentations at ELECTROBIONET 2020.

Contact: [electrobionet2020@gmail.com](mailto:electrobionet2020@gmail.com)

Abstract submission deadline: March 15, 2022

Additional information about the event and registration is attached to this letter.

We are looking forward to welcoming you all in June 2022 in Madrid!

Best regards,

María Encarnación Lorenzo

Chair of ELECTROBIONET 2020

## 3<sup>rd</sup> WORKSHOP ELECTROBIONET

### “ELECTROCHEMICAL SENSORS AND BIOSENSORS”

“Residencia La Cristalera”

Miraflores de la Sierra  
(Madrid)

23-24 June 2022

Abstract submission and registration: <http://eventos.uam.es/go/electrobionet2020>

## IMPORTANT DATES

### ABSTRACT SUBMISSION:

Abstract submission open: **February 20**, 2020

Deadline for abstract submission: **March 15**, 2022

Deadline for abstract evaluation: **April 15**, 2022

### REGISTRATION:

Deadline for registration: **April 20**, 2022

## REGISTRATION FEES

ELECTROBIONET members	130 €
ELECTROBIONET non-members	150 €

The fees include accommodation in La Cristalera and maintenance in full board

## INVITED SPEAKERS

**Prof. Héctor Daniel Abruña**

(Cornell University, USA)

**Dr. Fabiana Arduini**

(Università di Roma “Tor Vergata”, Italy)

**Prof. Nicole Jaffrezic Renault**

(Université de Lyon, France)

**Dr. Antonio López de Lacey**

(Instituto de Catálisis y Petroleoquímica, Spain)

**Prof. Francesc Teixidor Bombardó**

(Institut de Ciència de Materials de Barcelona, Spain)

## ORGANISING COMMITTEE

M<sup>a</sup> Encarnación Lorenzo Abad

Félix Pariente Alonso

Mónica Revenga Parra

Tania García Mendiola

Cristina Gutiérrez Sánchez

Emiliano Martínez Perriñán
